

Genesis: An Introduction

Pastor Nate Young
September 3, 2023

Thesis: Genesis is a book that shows us the creation of the world, the origin of sin, and the beginnings of grace all from a self-disclosing God who wants to be known by the pinnacle of His creation—us.

1. Creation

Application: How does a literal creation challenge your worldview?

2. The origin of sin

Application: Do you believe people are inherently good? Have you ever considered the universal impact of sin?

3. The beginnings of grace

Application: How do you tend to minimize God's grace?

4. The Knowable God

Application: Are you striving to know God?
