Thesis: Truth only has one source, and that is God. Many people will claim to have the truth, but God is the singular source of truth. And this God of truth loves us so much that all our fears can be cast out by His love.

A. God: the source of theological and practical truth (vs. 13, 14, 21).

B. A liar's true character is revealed by their behavior (vs. 15, 20).

C. We wouldn't know or believe in God's love if He hadn't given it to us (vs. 16, 19).

D. Love purges fear from the heart of the believer (vs. 17, 18).
