Thesis: We will suffer to the point of death under the curse of sin, but Christ will keep a people called by His Name.

1. Sin makes every other name short.
2. These names lead to The Name.
3. Enjoy the freedom of taking The Name of Christ.

Application

Who are you? Are you defined by something other than Christ?

Life is short -- do you know Christ?

Are you trusting God with the future?

Trust God, but take action.
