Thesis: Sin and its effects can make God feel far away; but if we heed God's voice, He will comfort and redeem us.

1. The shocking effects of sin continue, but God's comfort abounds (vs. 27-28).

2. God will redeem shame for His glory (vs. 29-30).

3. You can only go so far without God (vs. 31-32).

Application

Trust God's Word and take action in two ways:

1.) Believe what God calls sin and flee from it.

2.) Go toward Christlikeness in small steps.
