1. Temptations that can lead us down the path of discouragement (vs. 1-3).
2. Instead of discouragement, God has called us to be strong because of His presence (vs. 4).
3. God is a promise keeper, even when we aren't (vs. 5).
4. God has promised a greater temple (vs. 6-9).

Application:

1. Have you truly stopped to consider your ways?
2. Are you passionate to see the glory of God made known?
3. Pray that God would encourage and energize our hearts collectively to see His church built.
4. God has called us to be strong, because he is with us. He is a promise keeper, and he has promised a greater temple.
