## **What is a biblical pilgrim (1 Peter 2:11-12)?**

They are one who is on a journey through a foreign land headed to their home in heaven. A holy people destined for a holy land.

## **What is biblical hope (Hebrews 6:11)?**

A confident expectation in the promises of God concerning things He said will come.

## **How can sinners like us have confidence in a holy God to work for us and secure a bright future (Colossians 1:15-23)?**

Through the gospel of Jesus Christ. It is the hope for every believer.

Christ is the Creator (vs. 15-18)

Christ is the Savior (vs. 19-20)

Christ is the Reconciler (vs. 21-23)

**Application:**

How is the gospel hope for the pilgrim?

**Conclusion:** Many wrongly assume the gospel is for lost people only. While it is for lost people, it is equally for believers. The gospel is the hope of every believer as we make our way through this life.
