Thesis: Words are powerful. We have all felt the sting of a word spoken hastily and hurtfully. We have also felt words of encouragement that help us keep going. But no one's words are more powerful than God's words. In His words, God has the power to create, give purpose, and blessing to the entire universe. When we study the words of God we not only see what God has done, but we also see what God is like.

1. The power of the Word of God to create

Application: Have you considered your worldview? Does a literal 6-day creation change your current world view?

2. The power of the Word of God to give your life purpose

Application: Are you living out the purpose God has for your life?

3. The power of the Word of God to bless you

Application: How is the blessing of God in your life on display for others?
