Genesis 14

Thesis: God is sovereign, therefore we must trust Him.

1. There is a battle that wants to take you captive (vs. 1-12).
2. God empowers you to win the battle (vs. 13-16).
3. Some will bless you and some will curse you after your victory in battle (vs. 17-21).

4. No matter what battles we face, we must seek the glory of God (vs. 22-24).

Application

1. Where in your life are you lacking trust in God?

2. Are you taking credit for what God has done?

3. Are you paying tribute to someone or something other than God?

4. If you truly believed in God's sovereignty what will you boldly charge into this week?
