Thesis: Pride and the love of money are marks of false teachers and must be combatted with the gospel and true humility.

1. Pride and its consequences are the mark of a false teacher (vs. 2b-5)
2. True humility comes from seeing God and ourselves correctly (vs. 6-8)
3. The sin of loving money more than God paves the path to hell (vs. 9-10)

Application:

1. Fight false teaching by knowing and teaching the truth.
2. Fight the love of money by being content in Christ.
