Thesis: If we do not focus on Christ during trials we will miss the grace extended to us in Christ.

1. Focus on Christ as greater than the past (v. 10-11a).
2. Focus on Christ as our example (v. 11b).
3. Focus on Christ to help us treasure the grace extended to us (v. 12).

Application

1. Meditate on the past to treasure Christ.
2. Look to Christ and follow in His foot steps.
3. Thank those who have impacted you for Christ while working to impact others for Christ.
