John 1:1-18

Pastor Nate Young

December 17, 2023

**Thesis:** Jesus Christ is the Eternal Light that brings permanent joy to a temporarily dark world.

1. Temporary problems need an eternal solution (vs. 1-9).
2. Temporary relationship issues must be seen through our eternal relationship with God (vs. 10-13).

3. Temporary disappointment in gifts must be seen through our eternal gift in Jesus Christ (vs. 14-18).

4. Our permanent joy in Christ allows us to enjoy His temporary gifts in a greater way.
