

# Fighting Doubt And Despair

## 1 John 2:7-14

**Thesis:** The world and the devil want us to believe that we are fighting a losing battle. Darkness seems to be winning, hate seems to rule the day, and doubt is at an all time high. But God empowers us to see through the devil's lies and shine the light of the gospel. To do this we must fight doubt and despair by the power of the Holy Spirit through the truth of God's word.

1. Darkness is dying yet the light is shining

2. Hate is blinding yet love is enlightening

3. The devil wants us to doubt yet reassurance comes from the Lord
