Genealogies: A Road Map To The Truth

Genesis 5 Pastor Nate Young October 15, 2023

Thesis: The pattern of life is quickly filling the Earth. Humanity has inherited death but they have also inherited the "Imago Dei" = image of God. Although sin cursed the entire Earth, there is hope in the redemption of a merciful and gracious Savior who has a plan that was set in motion in eternity past and is now being fulfilled. These genealogies point the way to these truths and the hope that we have in Christ.

	ernity past and is now being fulfilled. These genealogies point the way to ese truths and the hope that we have in Christ.
1.	Adam's genealogy points to the image of God and the image of man (vs. 1-5).
	A. Created in the image of God
	B. A son born in his own likeness
2.	Seth's genealogy points to Christ (vs. 6-20).
	A. Seth's descendants strive to obey God's command
	B. God keeps a small remnant that worships Him
3.	Enoch points to God's faithfulness (vs. 21-24).
	A. He gives evidence of a life to come

B. He gives evidence of a rest that awaits
C. He gives evidence that death does not have power over God
4. Methuselah points to our eternal hope (vs. 25-27)
A. Hope for a future pure age
B. Hope for what living for eternity looks like
5. Noah points to the true deliverer (vs. 28-32)
A. Delivered from the curse (Genesis 3:17)
B. Delivered from pain
