Thesis: The end times are upon us. The last hour is at hand. If we are not careful, we will be encouraged to lose hope and to cower from the lies of antichrist. But we must not lose hope as we stand firm with the people of God in the power of the Holy Spirit.

1. The antichrist is evidence of the end.

A. A warning

B. Hope

Application: Don't lose hope.

2. The one who abides with Christ will abide in doing His will and will abide with His people.

Application: Build your life upon doing God's will and abiding with His church.

3. Stand firm in the power of the Holy Spirit and the knowledge of God's Word.

Application: Speak the truth in a world full of lies.
