**Thesis:** The Gospel has an effect on the way we view roles and submission in the local church.

**Men, your heart matters in worshiping God (vs. 8).**

**Women, your heart matters in worshiping God (vs. 9-10).**

**By God's design, men and women have different roles in the church (vs. 11-12).**

**These roles are based on God's created order, not on value or importance (vs. 13-15).**
