1. Your home will function correctly only as it submits to the Lord (3:18-21)
2. Your work will only be truly satisfying if it is done for the Lord (3:22-4:1)
3. Your life will only have purpose if it is lived for the Lord (4:2-6)
4. Your life will have peace in the most difficult circumstances through the Lord (4:7-18)

## **Questions for reflection**

1. Are you fulfilling your role in your home? Where can you get better?
2. Are you working for something or someone else other than the Lord?
3. What is your plan to pray and evangelize this week?
4. Will you call 2 people each day to encourage them in Christ?
